

Day Camp Meeting Minutes

November 29, 2016

Sherry reintroduced herself and recapped the "Super Fantastic" mind set.

We need to work on marketing. We go live on February 1, 2017. Settle dates and sites. Identify directors.

Attendance—try to get one more cub than last year. Try to give out awards for that. Reward positive outcomes.

We want to enhance the program.

- We need to add more crafts.
- Be more hands-on for the Bears.
- Large camps should divide Webelos 1 and Webelos 2/Arrow of Light. Small camps may need to alternate Webelos program every other year.
- Creativity is allowed. Example: If you get a great deal and get wood workers to help, change up the toolbox. We also need to be thrifty.
- Come up with recommendations for the website. Examples: On the kite, turn the plastic piece on the back to make it fly. Pre-drill holes in wood.
- Suggested—theme areas with music. Try to follow theme to crafts. Vibrating bug—good for jungle theme.

Supply committee meeting Tuesday, December 6 for lunch. Let Sherry know if you're interested or have ideas.

Question: Is there a way to be notified by the newsletter when there are website changes? We will look into this.

We want the camp program to be somewhat uniform. There is power in buying. We are watching the budgets and trying to be thrifty.

Program Changes: Need help writing up these. If you have something great, please send it to Sherry. At the January workshop we would like to have copies/electronic version of activities. We will look at electronic storage for these. Also, think of supplies needed.

Email vendor names to Sherry for next meeting by the 6th. Vendors MUST be able to take PO from council. Ability to return items is preferable. Bring cookies on the 13th when we discuss vendors.

Sherry will send contract for Den Chiefs.

Bring people to the meeting—they don't need to be staff. Can Still help.

Limited edition baseball cap for early registration instead of \$10 discount.

Me Toos—need to publish program and add to it. Add it with cubs program.

Ask for resources council wide—cans, 2 liter bottles, toilet paper tubes, etc.

Find a way to send program details for rank upon registration.

Dec. 13 meeting we will decide on a day for meetings for 2018. 2017 is already set for Wednesdays and cannot be changed.
